# Every £1 helps

At Prospect Hospice we welcome and care for people in their own homes, at the Hospice in Wroughton, and through a dedicated team at the Great Western Hospital.

We meet their families too, bringing practical and emotional support and advice at a time of real uncertainty.

Demand for our care has never been greater, and it's only through the community's support we can meet it. Last year we cared for over 1400 patients and their families.

Prospect Hospice is registered with the Gambling Commission under the Gambling Act 2005. Promoter: Prospect Hospice

Patron: Jenny Pitman OBE

Licence holder: S Thornton

Registered Charity number: 280093

Players must be 16+

All our care is given freely for those who count on us. Playing our lottery is a simple way to help ensure this continues.

# How our lottery works

- Each chance in our weekly lottery costs £1. You can have as many chances as you like each week.
- For each chance you purchase you will be allocated a unique lucky number.
- The draw takes place every Friday and you will automatically be entered into the draw for each week that you have paid your subscription.
- 28 lucky winners are selected at random by our lottery computer. Someone must win the jackpot every week.
- All winners cheques are sent by post automatically but you can check the winning numbers on our website.

# 5 great reasons to join today

1. You have a great chance of winning a prize. In the next year around £78,000 will be won by 1,400 people. And our top prize of £1000 must be won by one of our members every week.
2. Your money is well spent. More than £2 million has been raised for Prospect through our lottery and at least 55p of your £1 goes directly to the hospice. This is good value compared to 28p for 'good causes' with the National Lottery.
3. You can choose how to play – by direct debit, cheque or debit/credit card.
4. You don't need to claim your prize. All winners receive their prize by post within days of the weekly draw.
5. You will make a real impact on people's lives. By playing in the Prospect Hospice lottery you are enabling us to continue giving expert care and support to patients and their families in your community.
