# Our Bereavement Care Service

When someone close to us dies, our sense of sadness can be overwhelming. Allowing time to make sense of our feelings is important.

People often find it helpful to talk about their feelings, and we are pleased to be here to listen.

Our Bereavement Care Service offers relatives and friends emotional and practical support.

We will contact you soon with more information about the Bereavement Care Service and the support we offer, but you are welcome to contact us before this time if you wish. If you would like more information in the meantime, please ask for our Living Life with Loss leaflet.

Should you need to, you can contact the team by calling **01793 816127**, emailing **[bereavementcare@prospect-hospice.net](mailto:bereavementcare@prospect-hospice.net)** or by visiting **[www.prospect-hospice.net](http://www.prospect-hospice.net)**.
