# IT'S 2019!

In our 2019 booklet, you will find many different ways to get involved and support your local hospice.

Last year it cost £8.4M to run the hospice services which cared for and supported 7,300 patients and family members across our community. Only 28 per cent of the costs were funded by statutory sources, all of the rest came from you, our local community.

Without your support, we cannot continue to reach those patients and families who need our support. We are hugely grateful to each and every person who supports Prospect Hospice in whatever way they can. Your support and the funds you raise enables us to continue to provide our specialist end-of-life care free of charge in your local community.

Here's how your support could help:

- £25 will provide an hour of vital one-to-one bereavement services for a grieving relative
- £60 pays for two hours of Prospect@Home care
- £80 pays for a patient to attend one Day Therapy session.

## IMAGINE CRUISING®

**Imagine Cruising are proud to have supported Prospect Hospice since 2012.**

The care and support the hospice gives to local patients and their families continues to resonate strongly with the team here at Imagine.

Our main contribution is to cover all the expenses of the hospice's fundraising events, in order to ensure that all the money raised can go directly towards the costs of delivering life-changing care for patients and families, free of charge, throughout the year.

All the team at Imagine Cruising love to get involved with these events and also organise a wide variety of fundraising activities themselves in support of the hospice, such as sponsored runs, baking competitions and glitter bombing senior managers.

We are all looking forward to another successful year of fundraising for Prospect Hospice.

## **YOUR FUNDRAISING**

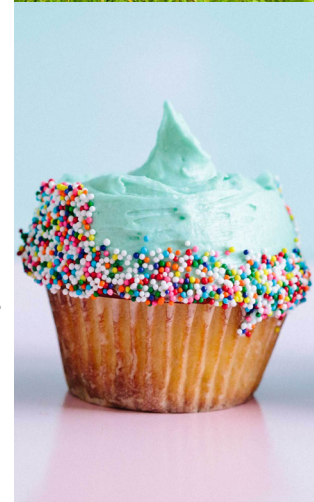

Do you have an idea for your own fundraiser?

Our fundraising team can help you bring your idea to life, no matter how big or small, whether it is just for family and friends or open to the public. From advice on local venues, developing promotional materials such as posters or leaflets and collection buckets or pots for the day, they will be there to support you every step of the way. Get in touch with the team to discuss your idea, and how we can help you.

## **CELEBRATIONS**

If you have a special celebration coming up and would like to request donations towards our care in lieu of gifts, please get in touch. Each year our generous supporters let us be part of their anniversaries, significant birthdays, retirement parties and all sorts of other celebrations. We can provide you with a collection box featuring a personalised message as well as pens and gift aid envelopes to collect donations. If you are getting married, we also have a lovely range of pin badges that make a perfect memento of your support for Prospect Hospice for your guests, provided with or without a personalised backing card.

## BUSINESSES

Is your business looking for a local charity to support this year? There are many different ways your business can get involved with Prospect Hospice, by raising funds or donating your time and skills by volunteering. Our Corporate Fundraiser will work with you to give you options that are right for your business and team. These could range from regular fundraising events such as dress down days, promoting our Give As Your Earn scheme to employees or volunteering here at the hospice. Whether you are looking for some support for a one off activity or a more long term relationship we'd love to hear from you.

## COLLECTION BOXES

Your pennies really do make pounds for Prospect. Becoming part of our boxes scheme is a really easy way to help raise funds for your local hospice. You can keep a collection box for your loose change at home, or request one for your place of work. If you are looking for a great way to meet your neighbours why not volunteer to become one of our household box collectors? Twice a year our box collectors collect all the boxes in their local area and return them to the hospice - don't worry, we'll give you everything you need to complete your collection.

## LOTTERY

Would you like to be one of our weekly £1,000 winners? By joining our lottery you will be entered into a weekly draw to win our top prize of £1,000, as well as one of 27 runner up prizes ranging from £10 up to £100. Each chance costs just £1.

As we will be celebrating our 20th anniversary of the Prospect Hospice Lottery in 2019, look out for our special anniversary draw.

Taking part is a great way to support the hospice and be in with the chance of winning a prize too!

## SPONSOR A NURSE

With your help, we can give even more care in your community.

Nurses are vital to the care that we provide around the clock, every day of the year. A regular donation towards their care can make a real difference to the experiences of people who seek our help in their final weeks and days. Without nurses, hospice care simply would not exist.

# LIGHT UP A LIFE

Support our Light up a Life appeal and remember your loved ones by dedicating a light on our Christmas tree, which will shine brightly outside the hospice in Wroughton throughout the Christmas period.

Our Light up a Life Christmas remembrance service, where we sing carols together with a school choir and listen to readings, is a special annual service bringing together families and friends to remember their loved ones at what can be for some a very difficult time of year.

You can also add your loved ones' names and dedication messages to our Book of Remembrance, which will be available to view at the remembrance service and then throughout the following year.

As this service is by invitation, if you have not attended before you will need to contact us or register your interest on our website to receive information about our 2019 appeal and service.

# REMEMBRANCE GARDEN

Prospect Hospice's gardens have long provided a peaceful haven for patients, families, friends and visitors. We recognise the importance of celebrating life, remembering those people who were special to us and keeping their memories alive.

Our Memory Tree sits in the heart of our Remembrance Garden and features copper and silver leaves, engraved with the names of cherished loved ones. Anyone can create a leaf in memory of a loved one, even if you haven't previously been connected to the hospice through our services.

Our Remembrance Garden is designed to be visited all year round, with lighting in place for evening guests. It has been designed so that you can visit your memorial tribute at a time special to you.

To order, visit our website and select your leaf type, add your special name and preferred donation method, from monthly direct debit, or an annual donation. If you prefer we can send a leaflet to you in the post.

By creating your leaf you will be helping provide the prospect of specialist support to local families affected by a life limiting illness.

# LEAVING A LEGACY

Leaving a legacy in your will to Prospect Hospice could be your greatest gift of all. A gift to us is the prospect of specialist end-of-life care for those who need it but also so much more. It's Christmas lunch in July for a family who won't be together in December, or a child's christening in our Day Therapy room for a parent unable to get to the church, or even a wedding with a dress, flowers and cake pulled together in just a few days. No matter how big or small, your gift means we will be able to bring care and confidence to our future patients and their loved ones.
